Reporter Information

(Free Text Entry Field)

| | |
|--|--------------|
| | Name |
| | Company |
| | Designation |
| | Phone Number |
| | Email |

Where

| | | | | |
|-------------------|--------------------------|-------|-------|--|
| State/area of occ | Occurrence Location Name | | | |
| | Latitude of occ | North | South | |
| | Longitude of occ | East | West | |

When

Date and Time are UTC. (Date Format YYYY-MM-DD, Time format: HH:MM)

| | |
|----------|----------|
| UTC date | UTC time |
|----------|----------|

What

Headline

Narrative

Aircraft

| | |
|-----------------------|----------------|
| Manufacturer/model | Operator |
| Aircraft registration | Operation type |
| State of registry | |
| Operator type | |

Occurrence Basic Data

| | |
|---------------------|------------------|
| Occurrence category | Detection phase |
| Aircraft Airborne? | Occurrence class |

Events and factors

Events

Dangerous goods involved

| | |
|--------------------------|--------------------------|
| Dang goods involved | |
| Dangerous good | Subsidiary risk |
| Origin of goods | Air Waybill/ Consignment |
| | Shipper name |
| Packaging | |
| Total number of packages | Number of inner packages |
| Type of inner packaging | Quantity per inner pack. |
| | Packing group/ Class 7 |
| Type of outer packaging | |
| Label | |

Risk Grading

| | |
|------------|-----------------|
| Risk grade | Risk confidence |
| Risk level | Risk method |

Occurrence Status

| |
|-------------------|
| Occurrence status |
|-------------------|

Occurrence validation

| | |
|------------------------|---------------------|
| Validation status | Validation date |
| Occurrence class | Occurrence category |
| Investigation scope | |
| Authority occ. closure | |
| (Validation Comments) | |

Occurrence validation Management

| | |
|------------------------|----------------------|
| Occurrence category | Occurrence class |
| Aviation sector | Occurrence moderator |
| Authority occ. closure | |
| (Validation Comments) | |
| Occurrence status | Investigation scope |
| Validation status | Validation date |

| Itinerary | |
|----------------------|----------------------|
| Last departure point | Planned destination |
| Operation type | |
| Number of crew | Number of passengers |

| Aircraft Damages | |
|-------------------------|-----------------|
| Aircraft damage | Recovery status |

Aerodrome identification

| | | | |
|---------------------|-----------------------|-------|-------|
| Location indicator | Aerodrome latitude | North | South |
| | Aerodrome longitude | East | West |
| Aerodrome type | | | |
| Aerodrome status | Location on aerodrome | | |
| Elevation above MSL | ft | | |
