Injuries: <input checked="" type="checkbox"/> None Light: 0 Serious: 0 Fatal: 0		

Occurrence Description:

Report of uncommanded engine 1 OGSD during taxi
The flight crew reported "E1 LOW N1" warning message on EICAS and engine 1 ITT showing dashes during takeoff. They then elected to abort the takeoff. On the way back to the gate, they experienced an uncommanded engine 1 OGSD.

Maintenance personnel identified damages on the high pressure compressor and removed and replaced the engine 1.
