

EASA Certification Information

No.: 2019-12
Issued: 12 April 2019

Subject: Surrender of EASA Type Certificate No. EASA.R.012 affecting Leonardo S.p.A. EH101-300 helicopter model.

Type Certificate No.: EASA.R.012

Affected product(s): EH101-300

Issue date: 04 August 2016

Issued by: EASA

Type Certificate Holder: Leonardo S.p.A.

Background: The current holder of Type Certificate (TC) EASA.R.012 has surrendered its TC for the EH101-300 helicopter model.

The EH101-300 helicopter was originally approved under Type Certificate (TC) No. BR 2, issued on 24 November 1994 by CAA UK to E.H. INDUSTRIES LTD 500 Chiswick High Road London W4 5AG.

The EH101-300 helicopter is currently under EASA TC EASA.R.012 in accordance with Article 3, paragraph 1(a)(i) of Commission Regulation (EU) 748/2012.

Leonardo S.p.A. has then informed EASA that the EH101-300 model is no more produced and that there is no helicopter of such type in operation. Consequently they wish to surrender the helicopter model TC.

EASA hereby asks you to communicate the aforementioned surrender to any natural or legal person to whom it could be of direct and individual concern as well as to other possible interested persons. When doing so, EASA also asks you to inform them about the possibility, no later than the 10 of May 2019, of commenting on the above.

The Agency will assess the surrender, taking into account the comments received, and may accept the surrender in accordance with the applicable administrative procedures.

Contact: Any request, query or comment should be sent by 10 of May 2019 to:
