### Context:

PARMA-TECHNIK s.r.o has made an application, dated 17 June 2019 to EASA for the transfer of the previous Czech Type Certificates (TC) of Walter Minor III Series Engines to PARMA-TECHNIK s.r.o.

PARMA-TECHNIK s.r.o holds an EASA Alternative Procedures to Design Organisations Approval (ref. AP.027) and is deemed to be able to undertake the obligations under 21A.44 and for this purpose, has demonstrated its ability to qualify under the criteria of 21A.14 of the Annex (Part 21) to Regulation (EC) No 1702/2003.

As a consequence, EASA has accepted the transfer and issued the Type Certificate EASA.E.239.

All Airworthiness Directives (ADs) related to these products are still applicable unless replaced or cancelled.
