Subject: Transfer of Type Certificate DGAC No. 190 from DAHER Aerospace in France to Cougar Aircraft Corporation, West Boxford, Massachusetts, United States

To all applicable Civil Aviation Authorities (CAA):

This letter is to inform you, as the State of Registry, that the Federal Aviation Administration (FAA) has transferred Type Certificate DGAC No. 190 from DAHER Aerospace in France to Cougar Aircraft Corporation here in the United States.

Pursuant to International Civil Aviation Organization's (ICAO) standards and FAA policy, the FAA is now the State of Design (SoD) for the applicable product identified within our Type Certificate A17SO with all associated responsibilities that entails. The aircraft GA-7 complies with the FAA's defined and published certification basis as identified in Type Certificate Data Sheet (TCDS) A17SO dated May 23, 2019.

Please contact Mr. Tony Pigott, Certification Program Manager, telephone number (781) 238-7158, e-mail: anthony.pigott@faa.gov, for any assistance related to the transfer of the design approval.

Sincerely,

Anthony Pigott for
