

**APPENDIX R62.23
RECREATIONAL PILOT LICENCE –
MEDICAL FITNESS CERTIFICATE FORMAT
MEDICAL PRACTITIONER’S DECLARATION**

Medical Practitioner’s Declaration of Medical Fitness

I, _____ *[full name of practitioner]*, am –

- the regular general practitioner of the applicant
- a CAA designated private pilot licence medical examiner
- a medical doctor actively engaged in flying
- (other) _____
[tick-off as applicable]

I understand that the applicant wishes to engage in hang-gliding or paragliding and to carry passengers while engaged in hang-gliding or paragliding operations.

In my opinion, the applicant does not suffer from:

- (a) Epilepsy, fits, severe head injury
- (b) Recurrent fainting, giddiness or black-outs; unusual-high blood pressure
- (c) A coronary
- (d) Any defect or disability (including excessive eyesight deficiency) that may jeopardize flight safety
- (e) Any previously sustained injury that could affect his ability to control the craft

I further declare that –

- (a) The applicant does not take insulin for the control of diabetes
- (b) The applicant is not addicted to any drug or narcotic substance (including alcohol) that may effect his faculties in any manner that may jeopardize flight safety
- (c) In the event of the applicant contracting, or suspecting any of the above conditions in the future, I have advised him/her not exercise the privileges of his/her pilot licence until he/she has been examined by a suitably qualified medical practitioner and declared physically fit to fly hang-glider or paragliders, including powered hang-gliders or paragliders.

Full name of the applicant in respect of which this declaration is issued:

Signed: _____ Date: _____

Medical Practitioner’s name and practice number:
