RE: SUPPORT FOR THE PROPOSED ATLANTIC AERODROME DEVELOPMENT

Dear Mr. Cira,
As the owner and operator of Delta 200 Airfield, I am writing to express my support for the development of the new Atlantic Aerodrome at Cape Farm 27-4.

I believe that the establishment of new, high-quality general aviation facilities is essential for the continued growth and vitality of the aviation sector in the Western Cape. The proposed aerodrome, with its planned FTO, AMO, and charter capabilities, will provide much-needed capacity and will complement the existing network of airfields in the region.

Delta 200 Airfield does not anticipate any operational conflicts with the proposed development, and we therefore offer our full support for the project. We welcome the investment into our local aviation infrastructure and look forward to the positive contribution Atlantic Aerodrome will make to the community.

Please do not hesitate to contact me if you require any further input.

Best regards,

Charl Edmund Starke (Director)
